

## HOOP HUNTER SUCCESS STORY

"Sorry to sound like a bragging Dad, but in case you haven't seen it already, I thought you might be interested in the attached article and video about Troy that was recently published in the Dallas Morning News."

In the same supplemental section, the "Ask Damon" column had a question for Damon Sayler as to who he thought was the best player in the entire Metroplex. Damon answered that was a difficult question to answer because it depended on your definition of "best". He then went on to mention 5 players (e.g., Willie Warren from North Crowley as the best all around, J'mison Morgan from South Oak Cliff and Quincy Acy from Mesquite Horn as the best rebounders/shot blockers, etc.) including a reference that the best ballhandler/assist man in the Area was "Highland Park's Troy Alexander". I thought that was pretty cool. "
